National Advisory Committee on Preventive Policing

The Executive Director continues to represent all Provincial Police Commissions on the Solicitor General's National Advisory Committee on Preventive Policing and attended meetings in Ottawa on May 20, 1982, October 21, 1982 and February 24, 1983. The concerns and suggestions of each Commission are solicited prior to each meeting so they may be discussed and the results conveyed to each contributor.

Seminar for Boards of Police Commissioners

Four one-day seminars for newly appointed Boards of Police Commissioners and Members of Council were held. Two in Saskatoon, one on April 13, 1982 and the second on March 23, 1983. Two in Regina the first on April 29, 1982 and the second on March 30, 1983. the Commission is indebted to Mayor Clifford Wright of Saskatoon who assisted us as a resource expert in all seminars and to Chief of Police Penkala who assisted with the Saskatoon Seminar and Chief of Police Riley and Chief New who assisted us with the Regina Seminar.

Crime and Redress Symposium

The Commission was represented at the above Symposium held in Vancouver from May 30 to June 2, 1982 by Mr. Ted Andrew. This Symposium which was co-sponsored by the Ministry of the Solicitor General and the

Ministry of the Attorney General of British Columbia was well attended by delegates from across Canada and proved to be very interesting and informative on a very current topic.

Prairie Chiefs of Police Conference

Mr. Ted Andrew represented the Commission at this Conference held in Medicine Hat, Alberta on May 26, 27 and 28, 1982.

Canadian Association of Chiefs of Police (CACP)

The Executive Director attended the 77th Annual CACP conference held in Moncton, New Brunswick from August 23 to 27, 1982 and participated in various committees as an associate member. The 78th Annual Conference of CACP is scheduled to be held in Calgary during the month of August 1983.

Police Operational Research Committee

The Executive Director acts as an advisor for the Province of Saskatchewan on this committee which holds semi-annual meetings one of which coincides with the CACP Annual Conference. This Committee addresses the needs and requirements of operational police personnel in the area of equipment and clothing. Priorities are set for testing and development of equipment and clothing etc., through the National Research Council and the RCMP Laboratories. For the first time a national repository has been set up by the National Research Council to record data from all police forces in Canada regarding the use of firearms and incidents involving soft body armour.

Arson Committee

The Executive Director represents the Commission on this newly formed committee within the CACP. One meeting was attended in Toronto On July 6, 1982 and a second meeting was attended on August 22, 1982 in Monction, New Brunswick prior to the official commencement of the CACP Annual Conference. As a result of this Committee's work the crime of arson has received much needed publicity by the media. The Law Amendments Committee by the Committee's request will look at the pertinent sections of the Criminal Code with a view to bringing them up-to-date with present times.

Canadian Police College (CPC)

Our Executive Director continues to represent the Province of Saskatchewan on the Advisory Committee of the CPC and attended one meeting in Ottawa on June 2, 1982. The Police Act and Regulations

Proposed amendments to Sections 5, 11, 27, 36 and the "Oath of Police" form, died on the order paper with the defeat of the government on April 26, 1982. It is anticipated these amendments will be proceeded with at the next sitting of the Legislature.

A regulation covering municipal police recruit and in-service training has been drafted and is in the process of being approved.

Public Inquiries

At the request of the Moose Jaw Board of Police Commissioners the Commission convened a Public Inquiry under section 11 of The Police Act into a reduction of $395,000 from the police budget by Council on June 7, 8, 15 and July 8, 1982 to determine if the level of policing required for that city would suffer from such a reduction.

A Public Inquiry into allegations by Bryce Amyotte that he suffered injuries while in custody of the Regina City Police on June 18, 1982 resulting in the removal of his spleen was heard by the Commission on November 22, 23, 24, 26, 29 and 30, 1982. The Commission determined that there was little doubt but that the injuries were inflicted elsewhere.

Appeals

The appeal against termination of service under section 36 of The Police Act by Ex-Chief of Police George Hnatchuk which was adjourned on January 13, 1982 so that the denial for Writ of Prohibition application by the Court of Queen's Bench could be appealed to the Court of Appeal was finally reconvened on October 12th and concluded on October 14, 1982. The Commission upheld the termination of service action by the Pilot Butte Council.

A second appeal against termination of service was filed with the Commission by Sergeant Ronald G. Harrington of the Saskatoon City Police Force on March 15, 1983 and this will be heard by the Commission early in the new fiscal year.

Complaints

During the calendar year the following complaints were received at the Commission office from the public against municipal police personnel and members of the RCMP.

Assistance to Other Departments and Commissions

During the fiscal year the Commission received numerous requests for information concerning our activities and programs in Saskatchewan from across Canada. As always the Commission is most pleased to be of assistance in any way possible to other provinces.

Saskatchewan Police College

Police Training

The Saskatchewan Police College, under the direction of Selmer B. Johnson, Director of Training, has the responsibility for the training of all municipal police officers in the province.

The objective of the Saskatchewan Police College is to provide training for all levels of police personnel, from recruit to senior management, to ensure that all municipal police officers in the province have the depth of understanding, proper attitude and the skills necessary to perform their duties in the most effective and efficient manner possible.

Located at the University of Regina, the Saskatchewan Police College provides an excellent opportunity for police personnel to mix freely with other students and faculty which should have a very beneficial long-term effect.

Courses are now offered on a semi-annual basis for recruits, junior constables, senior constables and on an annual basis for arson investigation and introduction to management. Other courses and seminars are also provided as required.

Recruit Training

Recruit Class Number 16 with an enrollment of 26 municipal police officers from Regina, Saskatoon, Moose Jaw, Prince Albert, Weyburn and University of Saskatchewan commenced January 4, 1982 and concluded April 23, 1982. Two recruits from Regina were withdrawn from the course and one recruit from Moose Jaw failed to meet academic standards of the College.

Due to the economic situation there was an insufficient number of recruits available from the various municipal police forces to form a January training class. This is the first time a scheduled class had to be cancelled for lack of recruits since the College was first opened in 1974.
